

## AWOC Winter 2011/2012 Development Plans

AWOC winter is a comprehensive course devoted to winter weather warning decision making. It has online lessons, exercises, assignments, an end of course simulation, and even one Instructional Component that can be treated as its own course (IC3). WDTB has decided to give you several course taking options in the give you the option of several development plans within the [NWS LMS](#). Called Development Plans, we list three of them below. Each plan is headlined by a hypothetical forecaster situation. Choose the development plan that best fits your situation and motivations. These are listed in the table below:

<b>Development Plan in the LMS</b>	<b>Target audience</b>	<b>notes</b>
WDTB AWOC Winter FY2012 Standard	➤ Interested forecasters, and DLOC 2011/2012 graduates.	➤ IC's 1-7, IC9 WES simulation 1 ➤ End of course test
WDTB AWOC Winter FY2012 Platinum	➤ Forecasters that have not taken AWOC winter ➤ DLOC 2011/2012 graduates	➤ All lessons in the standard version plus: ○ IC4.2 & IC4.3 exercises ○ IC8.1 Downslope winds ○ IC9 Simulations 1 and 2
WDTB FY2012 Road Weather Course	➤ Forecasters interested in learning about road weather	➤ IC 3

The figure below represents the development plans within the LMS.

The screenshot shows a web browser window with the URL <https://doc.learn.com> and the page title 'National Weather Service - Microsoft Internet Explorer'. The browser's address bar and menu bar are visible. On the left, there is a navigation menu with categories like 'Main', 'Options', 'Users', 'Tools', 'Support', 'Assignments', 'Gradebook', and 'Assessments/Surveys'. The main content area is titled 'Development Plans' and features a search filter section with the following fields: 'Name/Description Contains' (with the value 'wdtb awoc Winter'), 'Status' (set to 'Active'), and 'Due Date' (with 'From' and 'To' input boxes). Below the filters, there are 'Search' and 'Reset' buttons. The main content area displays a table of development plans with the following data:

Status	Name	Description	Due Date	Enforce Sequencing	Time Frame	Actions
1	✓ WDTB AWOC Winter FY10 Full	This Development plan is the official WDTB AWOC Winter course for 2010.		No		
2	✓ WDTB AWOC Winter FY10 Platinum	Students completing the platinum version of AWOC Winter will get special recognition for having completed one of the most comprehensive winter weather warning courses in existence.		No		
	✓ WDTB Road Weather FY10		5/1/2010	No		

At the bottom of the table, it indicates '2 records returned.' The browser's status bar at the bottom shows 'Done' and 'Internet'.

### Additional notes:

You may create a development plan that involves all or any part AWOC winter. We suggest you peruse the lessons and their descriptions in the [lessons](#) page. We suggest that [IC3](#) be taken in its entirety within any development plan.

Students completing the platinum version of AWOC winter will receive a special certificate and recognition for having gone through a more rigorous version of the course. The platinum
